Hiz Kidz Ministry
4th Quarter 2016

Jesus is King!

After watching the news regarding the presidential elections, which will occur soon, it was easy to find myself feeling very anxious about the future and the uncertainty that faces our nation.

However, I was quickly reminded by the Holy Spirit that my future is in the hands of a loving, caring, and all-knowing Father. The reality is, that no matter who wins the upcoming presidential election, Jesus is King. He is king over our hearts, our homes, our families, our church, and over this nation. Isn't that reassuring? The Lord has our future right in the palm of His hand and knows our path before

we even set foot on it. I find that it's so easy to focus on the things that are going on around us right now, but when we are consumed with what's going on in the world around us, that means that our focus has been taken away from where it really needs to be—with our One True King. Keep your eyes on Him, for His eye is certainly on you. I don't know what plan the Lord has in store for our church or our nation, but we don't always have to know. We can be confident in the fact that the Lord has a plan and regardless of who is president, that Jesus is King!
